

**REMARKS/ARGUMENTS**

This letter is responsive to the Office Action dated September 28, 2005. This response is accompanied by a three-month extension of time. Therefore please consider this response as timely filed.

In the office action, the Examiner has objected to claims 1-11 and has stated that in claim 1, line 3, "the ground accessible system" should be "the sign system". The applicant has cancelled claims 1. Accordingly, the objection is no longer applicable.

In the office action, the Examiner has indicated that claims 8, 9, 18 and 19 would be allowable if rewritten in independent form including all of the limitations of their respective base claims. The applicant has amended claims 8, 9 and 18 accordingly. Claim 19 depends from claim 18 and therefore does not require amendment. The applicant has cancelled the base claims and has amended all other dependent claims to depend from one of claims 8 or 18.

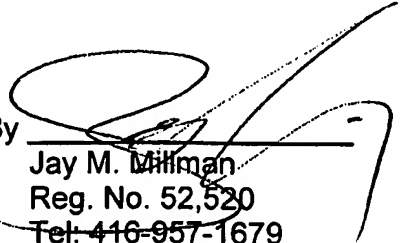

All cancelled claims accompanying this response are cancelled without prejudice.

The applicant respectfully submits that the application is now in condition for allowance. If the Examiner has any further concerns regarding this application, he is invited to contact the undersigned at (416) 957-1679.

Respectfully submitted,

BERESKIN & PARR
